

REMARKS

By the foregoing amendments, the specification has been revised to provide appropriate headings, and the claims have been amended to omit reference characters and to better conform to standard U.S. claim language and practice. In addition, new claim 17 has been added, which is fully supported by claim 5 as originally filed. This preliminary amendment is in supplemental to the preliminary amendment filed with the application on March 6, 2006.

The filing fee has been calculated based on the claims as amended above. No new matter has been added.

Respectfully submitted,

MILLER, MATTHIAS & HULL
